

# Cubby Guide

This guide is to help you determine what cubby size is right for your business. Cubbies are the shelves available for Vendors/Business to sell product or promote their business. Cubby rental fees are determined by the size of the cubbies and how often you would like to pay either monthly or quarterly. Those who pay quarterly will save! See savings below of \$10 to \$20 with the quarterly plans.

## Single Cubby

Size: 23 x 21 x 12  
Monthly Fee: \$20  
Quarterly Fee: \$50

These cubbies are located in the front of the studio and in the hall that leads to all of the other rooms in the shop. The shelves seen in this photo are removable allowing you to have taller displays.

## Double Cubby

Size: 23 x 42 x 12  
Monthly Fee: \$30  
Quarterly Fee: \$75

These cubbies are 2 single cubbies that are stacked one on top of the other. They are also located in the front of the studio and in the hall that leads to all of the other rooms in the shop. Some of the shelves seen in this photo are removable allowing you to have taller displays.

## Large Cubby

Size: 40 x 23 x 12  
Monthly Fee: \$40  
Quarterly Fee: \$100

These cubbies are great for wide displays. They are only located in the hall that leads to all of the other rooms in the shop.

## Wall Space

Size: The wall sizes will vary slightly depending on the location. Contact us for more information about our wall space.

Monthly Fee: \$30  
Quarterly Fee: \$75

Please note cubby fees have changed as of 2017 and are as currently listed. This is after 2 years in business due to the continued growth and interest.
